Summary

I'm a third-year Computer Science student at FAST NUCES, with a strong passion for web development. With hands-on experience in HTML, CSS, JavaScript, C#, ASP.NET, MySQL, SolidWorks, AutoCAD, Figma, ReactJS, and NodeJS. I craft creative web applications. From dynamic front-end interfaces to powerful back-end systems, I bring ideas to life. Additionally, I've dived into Python/Assembly/C/C++ programming, using these languages to build efficient and high-performance codes. Beyond my web development skills, I have a keen interest in exploring diverse areas of technology. I find joy in delving into the worlds of robotics and circuit analysis, and I've even taken on freelance projects in electrical circuit and digital logic design on FIVERR. Let's shape the future of the web, robotics and digital world together.

Experience

Junior Programmer

Fiverr

Jan 2024 - Present (2 months)

Web Developer

Fiverr

Mar 2022 - Present (2 years)

Digital Circuit Designer

Fiverr

Jan 2022 - Present (2 years 2 months)

Web Developer

CodSoft

Aug 2023 - Sep 2023 (2 months)

Education

National University of Computer and Emerging Sciences

Bachelor of Science, CS (Robotics and Automation)

Sep 2021 - Aug 2025

Punjab Group Of Colleges

FSc, Pre-Engineering

2019 - 2021

Licenses & Certifications

 **Basics of html/css for beginners** - Open Weaver

 **Basics of JavaScript Programming** - Open Weaver

 **Virtual Internship Program in Web Development** - CodSoft

Skills

Web Development • GitHub • Videography • Circuit Analysis • Python (Programming Language) • C++ • 3D Modeling • Web Design • Robotics • Microsoft SQL Server

Honors & Awards
